CLICK Series

The CLICK series enables the customization of the shower cabin to best fit your space. The hardware comes in various finishes aligned with modern bathroom design trends. In addition to the nine standard configurations, there is also the possibility of custom-made designs to fit your specific situation.

The CLICK series offers a wide selection of hardware finishes and the option to choose custom colors to match the look with other bathroom elements.

GLASS

Decorative Glass

Our range of decorative glass for shower cabin installations includes laminated glass with dichroic film, transparent colored films, and metal meshes. With the right choice of glass, your bathroom transforms from a functional space into an oasis of unique aesthetics and ambiance. We exclusively use tempered glass. Check out the collections of Transparent Colored Glass and Metal Meshes.
