LIFT
Series

LIFT Series

The LIFT series is characterized by minimalist hardware designed to provide optimal sealing. Shower cabins are custom-made, allowing for the use of standard configurations or the creation of solutions that best suit your space's functionality.

Knob and pull handle is available in three standard surface finishes, with the option to choose custom colors to match the look with other bathroom elements.

LIFT 01
Shower cabin in a niche with
pivot doors, wall-mounted.

LIFT 02
Shower cabin in a niche with
pivot doors, wall-mounted with
fixed glass.

LIFT 03

Shower cabin in a niche with pivot doors, connecting to fixed glass.

LIFT 04

Shower cabin in a niche with central pivot doors and two fixed glass panels.

LIFT 05
Corner shower cabin with one door and one fixed glass panel.

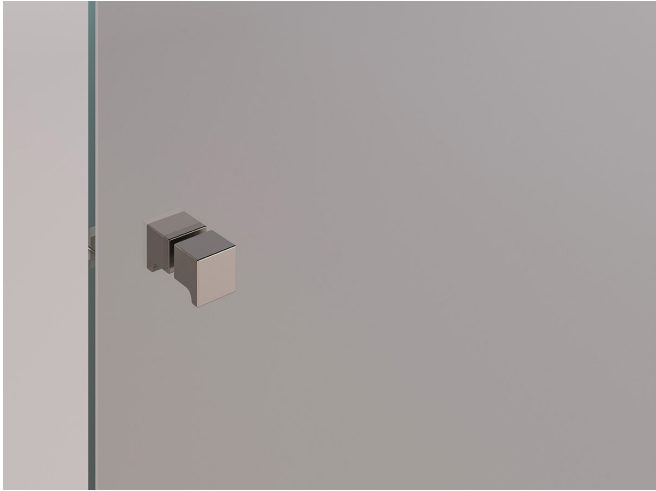

LIFT 06
Corner shower cabin with two fixed glass panels and one door.

LIFT 07

GLASS

Decorative Glass

Our range of decorative glass for shower cabin installations includes laminated glass with dichroic film, transparent colored films, and metal meshes. With the right choice of glass, your bathroom transforms from a functional space into an oasis of unique aesthetics and ambiance. We exclusively use tempered glass. Check out the collections of Transparent Colored Glass and Metal Meshes.
